## Education

### **BA (Hons) Visual Effects for Film and Television**

University of Hertfordshire, 2018 - present

### **A-Levels**

Ivybridge Community College, 2016 - 2018

- Media Studies - A
- ICT - Merit
- Psychology - C

## Personal Statement

I'm a hardworking and enthusiastic 3D artist specialising in organic modelling. I love learning new skills and softwares and I work well in teams and high pressure environments. In my free time I enjoy life-drawing and movies.

## Experience

### **Whiteboard animator at Scribbling Media**

2016 - 2017

I worked on various projects creating whiteboard animation illustrations

### **Work experience at Colour247**

July 2017

I modelled assets for a local television advert and helped with equipment on set
